March 11, 2022

The Pit Resource Conservation District (PRCD) has three (3) vacancies on its Board of Directors. Applications are being accepted by the PRCD through Thursday, March 31, 2022 by 5:00 pm. To request an application call the number listed above.

The mission of the PRCD is to Protect, Conserve, Restore, and Enhance Natural Resources for Sustainability and Economic Diversity. Information about the PRCD can be found on our website at pitracd.org

Leadership and governance of the PRCD is provided by a seven (7) member board of volunteer directors. These directors are residents within the boundaries of the PRCD boundaries and have diverse backgrounds and interests. The role of the Directors is to establish priorities, set policies and guidelines, and oversee general operation of the District. Board members do not actively engage in program/project planning or implementation but are responsible for approving expenses, grant applications, and general project direction. The board meets monthly, typically on the 2nd Tuesday of each month. Currently, day to day management is conducted by a part-time Executive Director.

Questions can be directed to any current board member or to Sharmie Stevenson at the number or email address listed above.
